DEADLINE: **March 13, 2009**

The Craig H. Neilsen Foundation Scholarship is available to all eligible students with a **Spinal Cord Injury who attend or plan to attend the University of Utah as undergraduates or in graduate school. Preference will be given to students in a business related major or students studying law.** The scholarship awards two students $7,000.00 per year for two years. Of this money, $5,000.00 is awarded for tuition and books and $2,000.00 is for a living stipend. There is also $5,000.00 in a contingency fund that students may apply for at any time.

To be considered for this scholarship, you must…

- Be currently admitted to the University of Utah as a matriculated (degree seeking) student.
- Be registered with the Center for Disability Services and be found eligible for services under the University ADA standards.
- Submit an academic transcript from all colleges attended if you are a college student or from your high school if you are an entering freshman**.** A DARS report is acceptable for University of Utah Students. **A minimum 2.5 GPA is required.**
- Provide one letter of recommendation from someone acquainted with your academic record (not a family member)
- Submit a one page written statement explaining your academic and career goals. Please list your participation in community organizations.
